Sec. 204.3 Orphans.

(d) Supporting documentation for a petition for an identified orphan.

(iii) Evidence that the child is an orphan as appropriate to the case:

(A) Evidence that the orphan has been abandoned or deserted by, separated or lost from both parents, or that both parents have disappeared as those terms are defined in paragraph (b) of this section; or

(B) The death certificate(s) of the orphan's parent(s), if applicable; or

(C) If the orphan has only a sole or surviving parent, as defined in paragraph (b) of this section, evidence of this fact and evidence that the sole or surviving parent is incapable of providing for the orphan's care and has irrevocably released the orphan for emigration and adoption;
