<p>F-2024-00402</p>	<p>Turse, Nick</p>	<p>TomDispatch.com</p>	<p>Pursuant to the federal Freedom of Information Act, 5 U.S.C. A§ 552, I request the 2021, 2022, and 2023 FOIA request logs for all Air Force agencies and entities</p> <p>I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. EOIR, 830 F.3d 667 (D.C. Cir. 2016) which found that FOIA "does not provide for . . . redacting non-exempt information within responsive records." As declared by the court, "once an agency identifies a record it deems responsive to a FOIA request, the statute compels disclosure of the responsive record—i.e., as a unit—except insofar as the agency may redact information falling within a statutory exemption."</p> <p>As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please notify me by email prior to your incurring any expenses in excess of \$.01.</p> <p>If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.</p> <p>As I am making this request as a member of the news media and this information is of timely value, I would appreciate your communicating with me by email, rather than by mail, if you have questions regarding this request. Please do not close this request, for any reason, unless I explicitly request it in writing.</p> <p>I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance.</p>	<p>10/09/2023</p>	<p>03/11/2024</p>

F-2023-08325	Brown, Ann	Center for Biological Diversity	<p>The Center requests from the U.S. Department of State ("DOS"), U.S. Ambassador to Mexico Ken Salazar ("Mr. Salazar") from January 1, 2023 to the date DOS conducts this search: the records including email communications, mentioning, referencing, and/or generated in connection to the proposed train route that would connect Nogales, Arizona and Nogales, Mexico (a.k.a. the Ímuris train route; Nogales train route; Gauymas modernization project). [FN2] For this request, the term "records" refers to documents, correspondence (including inter and/or intra-agency correspondence as well as correspondence with entities or individuals outside the federal government), emails including attachments, letters, notes, recordings, telephone records, telephone notes, telephone logs, text messages, chat messages, minutes, memoranda, comments, files, presentations, consultations, biological opinions, assessments, evaluations, schedules, papers published and/or unpublished, reports, studies, photographs and other images, data (including raw data, GPS or GIS data, UTM, LiDAR, etc.), maps, and/or all other responsive records, in draft or final form. {FN2} This route has been pushed by Sonora Governor Alfonso Durazo for the moving of a binational train line that runs through both Nogales, Sonora and Arizona and would ultimately connect with routes to Guaymas, Mexico. Governor Alfonso Durazo recently met with Mr. Salazar, and said he formally presented the proposed new route for the train line. See generally, Murphy Woodhouse, "Sonoran governor presents new Nogales train route to U.S. ambassador," 91.5 KJZZ, https://kjzz.org/content/1764795/sonoran-governor-presents-new-nogales-train-route-us-ambassador (last visited May 2, 2023)</p>	10/13/2023	11/01/2023

I find this hard to believe as this company only repairs industrial electronics equipment. Also, I am a former employee of this company and have noticed that this company is not allowed to repair Keyence Safety Laser Scanners. I feel that this company is not truthful in its business practices. That is why I am requesting documentation as to whether or not this company has any such documentation as it being registered as a ITAR registered company. The documents may or may not relate to a lawsuit filed against various branches of the US government (including the US Navy, Air Force, Atomic Energy Commission, Department of Defence, and the Justice Department) by Simo Orts circa March 21, 1968, or the earlier Memoranda of Facts and Law filed in New York circa May 3, 1967. The documents may or may not also relate to a response coordinated by the Department of Defence after Simo Orts filed a suit at the Foreign Claims Commission office at Torrejon Air Base, Spain, circa 1966.</p> <p>As a representative of the media affiliated with the non-profit 501(c)(3) art and culture organization Cabinet magazine, I am gathering information on the 1966 Palomares B-52 crash that is of current interest to the public because of the recent Supreme Court appeal on behalf of U.S. veterans denied medical benefits after exposure to radiation during this incident.</p> <p>I am requesting a waiver of all fees. For evidence of this precedent and the government's awareness of its actions, see the declassified Palomares Summary Report (available here: https://apps.dtic.mil/sti/pdfs/ADA955702.pdf), especially pp. 149-182.</p> <p>Also, the information sought has informative value, or potential for contribution to public understanding. I plan to disseminate this information to the public in the following manner: by writing a longform report about Francisco Simo Orts for Cabinet Magazine.</p> <p>In addition, the release of this information will have a significant impact on public understanding because no one has yet reported in sufficient detail about how and why the government decided to settle with Orts as a method for deterring further litigation. A§ 552, I request all tips submitted via any means (email, text, Signal, WhatsApp, Telegram, Viber, Line, etc.), including "all relevant files such as photographs, videos, and documents to support [said] information" submitted via the Rewards for Justice as well as replies and subsequent exchanges with "RFJ representative[s]" and payment documents.</p> <p>The time frame of this request is January 1, 2020 to the date that the search for records begins.</p> <p>I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. EOIR, 830 F.3d 667 (D.C. Cir. 2016) which found that FOIA "does not provide for . . . redacting non-exempt information within responsive records." As declared by the court, "once an agency identifies a record it deems responsive to a FOIA request, the statute compels disclosure of the responsive record—i.e., as a unit—except insofar as the agency may redact information falling within a statutory exemption."</p> <p>As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please notify me by email prior to your incurring any expenses in excess of \$.01.</p> <p>If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.</p> <p>As I am making this request as a member of the news media and this information is of timely value, I would appreciate your communicating with me by email, rather than by mail, if you have questions regarding this request. Please do not close this request, for any reason, unless I explicitly request it in writing.</p> <p>I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance.</p> <p>Regards, Nick</p>	10/19/2023	-

F-2024-01035	Aamot, Colin	The Daily Signal	<p>Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents sufficient to account for all agency policies, memorandums, or directives pertaining to gender identity, or the implementation of Executive Order 1398: 'Preventing And Combating Discrimination On The Basis Of Gender Identity Or Sexual Orientation'. Please limit the timeframe of the search from January 20, 2021 to present. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. F-2024-01105	Aamot, Colin	The Daily Signal	<p>Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents or data sufficient to account for the total number of full time and part time employees or contractors assigned to the agency's Freedom of Information Act Office, and the total number of employees employed by the agency (latest available number). To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public regarding the agency's operations.</p>	10/28/2023	07/01/2024

F-2024-01107	Monaghan, John	American Center for Law and Justice	<p>Regarding your request for "additional context related to the information you are seeking. Additionally, please specify the dealings you are referring to, and types of records you are looking to obtain (e.g., emails, memos, cables, etc.)" I refer you first to the Background provided in the Request but provide more detail below.</p> <p>As a preliminary matter, our request did not use the word "dealings" so we are unsure as to what you are referring to. We are interested in a very narrow subset of information about Gaza, specifically how Hamas has treated the Arabs under its control and such information as is in the Secretary of Department of State's Office. The source of the information whether DoS interactions with Gazans, Israelis or others, or DoS collation of local publications is not relevant to us.</p> <p>The Request is limited to its subject matter –Hamas mistreatment of Gazan Arabs. We are interested in records (as defined by 5 U.S.C. § 552 et seq.) such as, emails, cables, memos, petitions, social media messages, social media posts, unsolicited correspondence or summaries thereof. More particularly, Gazan's statements about their mistreatment by Hamas (hence, the Request about the Whispered in Gaza campaign) is of great interest.</p> <p>(Date Range for Record Search: From 2/8/2023 To 10/27/2023)</p>	10/30/2023	-

F-2024-01128	Soliva, Mary Kate	Guam Human Rights Initiative	Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents sufficient to account for all agency policies, directives, standard operating procedures or orders regarding human trafficking or counter human trafficking. Please limit the time frame of the search from January 1, 2017 to present. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public regarding the agency's operations regarding human trafficking.	10/31/2023	02/21/2024

F-2024-01135	Fitzpatrick, James	Center to Advance Security in America	The recent terrorist attacks in Israel have highlighted the importance of diplomatic posts across the globe. One post of particular interest and importance in the fight against terrorism in the region is the Office of Palestinian Affairs. The operations and management of the Office of Palestinian Affairs is of great concern as the United States seeks to aid its allies in thwarting terrorism in the region. The office organization chart is essential to understanding the chain of command within the office. The information obtained from the organization chart will provide transparency and accountability concerning the office's leadership and management of taxpayer resources. F-2024-01136	Fitzpatrick, James	Center to Advance Security in America	This letter constitutes a request under the federal Freedom of Information Act (FOIA), 5 U.S.C. § 552. The recent terrorist attacks in Israel have created humanitarian and national security concerns for American allies in the region. The tense environment has resulted in communications that may not necessarily be representative of the view of the U.S. government. Specifically, the Office of Palestinian Affairs retracted a tweet that urged for an Israeli ceasefire. The original contained the phrase, "We urge all sides to refrain from violence and retaliatory attacks. Terror and violence solve nothing." It is in the public interest to conduct oversight of the communications that authorized the publication of the message and its ultimate retraction. The information obtained from these communications will provide transparency and accountability related to the use of taxpayer resources. <p>F-2024-01438</p>	<p>Leonard, Libby -</p>	<p>-</p>	<p>Good afternoon,</p> <p>I'm writing to request any application or other permit/regulatory documents involving Expedition 389 on the MMA Valour which was recently doing benthic drilling in fossilized coral off the coast of Hawai'i Island. Also any correspondence with the British Geological Survey, International Ocean Discovery Program (formerly International Ocean Drilling Program), BP, or European Consortium of Ocean Research Drilling. There were claims by this expedition team that State Department gave them permits to operate in the waters. Correspondence and applications may have occurred over the last five years.</p> <p>The media department for the State Department said that they don't deal with these requests, but I got conflicting information from multiple sources.</p> <p>I'm a national journalist seeking this information. Thank you for looking.</p> <p>Best, Libby Leonard</p>	<p>11/09/2023 -</p>	<p>-</p>

F-2024-01452	Fitzpatrick, James	Center to Advance Security in America	<p>In the wake of the war in Israel, there have been efforts by some in the U.S. State Department to control the use of certain language that federal employees are using to communicate. A recent report finds that high-ranking State Department officials warned against publishing materials that suggest less violence, including the phrases: "de-escalation/ceasefire," "end to violence/bloodshed," and "restoring calm." The public has a right to view these communications instructing federal employees to change their speech as it relates to this conflict.</p> <p>This information is necessary for proper transparency and to provide oversight of internal federal communication efforts to thwart messages of de-escalation to Hamas. <p>F-2024-01466</p>	<p>Fitzpatrick, James</p>	<p>Center to Advance Security in America</p>	<p>The recent terrorist attacks in Israel have highlighted the importance of diplomatic posts across the globe. One post of particular interest and importance in the fight against terrorism in the region is the Office of Palestinian Affairs. The operations and management of the Office of Palestinian Affairs is of great concern as the United States seeks to aid its allies in thwarting terrorism in the region. Oversight and transparency of the communications made by staff members of this office among themselves, with the U.S. Department of State in Washington, DC, with the news media, and with other outside organizations are essential to understanding how America's diplomats in the region were reacting to the terrorist attacks in real time. F-2024-01639	Colony, Christa	-	<p>All records pertaining to the formulation of policy - particularly a ceasefire, the need for humanitarian aid, and addressing rising settler violence in the West bank - since the start of Israel's war on Gaza after Hamas' attack October 7th and the days leading up to it. Additionally, I'd like to see all documentation of the current humanitarian crisis in Gaza.</p> <p>I am particularly interested in advisement given to the President and Congress on these issues, as well as any analysis of the validity of Israeli intelligence information that may not fall under the nine exemptions.</p> <p>I understand that this information likely entails pages upon pages of documents, and I am sorry I can not identify a specific document in my search. I would like to more broadly understand the State Department's policy advisement in this realm - particularly the dissent within the state department pertaining to Biden's war policies - as well as understand what information may have been swept under the rug at the hands of Congress and the Executive Office of the President. F-2024-03002	King, James	-	a copy of a cable from the American Embassy/Rome to Main State relating to events at the meeting of the G7+ Russia held in Rome in the Fall of 1994. The purpose of the meeting was to discuss the issue of Nuclear Smuggling in Europe among the members of the G-7 countries plus Russia. I believe the cable might have been titled (unclassified) "Breakthrough Reached in Rome". I do not recall the date/time group. It was sent either just before Thanksgiving or Christmas 1994. The cable would probably have been partially classified at that time but has probably been declassified since its issuance.	11/19/2023	-

F-2024-01871	Moore, Bernard	Michigan State University	<p>I am requesting information or records related to or concerning Urban Leonard Drew [also known as Ben Drew]. Mr. Drew was born 21 March 1924 and died 3 April 2013.</p> <p>Between the years 1942 and 1950, Mr. Drew served as a pilot with the US Air Force and the Michigan Air National Guard, eventually reaching the rank of major. To my knowledge, after leaving military service, Mr. Drew founded several air charter and air cargo companies which operated throughout southern and eastern Africa, as well as Kuwait. One company, "Seven Seas Airways, Inc", was registered in Delaware and operated during the 1960s. Another company, "Caprivi Airways (Pty) Ltd", was registered in 1978 in Namibia [then called South West Africa] and operated for about ten years. To my knowledge, both of these companies were subsidiaries of Mr. Drew's third company, "Zegla Financiere & Inmubliere S.A.", registered in Panama City.</p> <p>I am looking for any records pertaining to Mr. Drew or the operations of his companies during the years 1961-1994. CIA files indicate that the first-named company and Drew himself was a person-of-interest as it relates to US foreign policy in Africa during those years. This forms part of a historical research project which I am conducting under the auspices of Michigan State University.</p> <p>Date range of request: 1 January 1961 through 31 December 1994 (Date Range for Record Search: From 01/01/1961 To 12/31/1994)</p>	11/27/2023	02/27/2024

F-2024-02261	Lemoine, Philippe	-	I'm looking for a number of documents pertaining to the debate on the enlargement of NATO within the Clinton administration that are cited by Mary E. Sarotte her book Not One Inch: America, Russia, and the Making of Post-Cold War Stalemate (published in 2021 by Yale University Press) and Ronald D. Asmus in his book Opening NATO's Door: How the Alliance Remade Itself for a New Era (published by Columbia University Press in 2004). I suspect that most if not all of those documents are to be found at "Special Study Records (NATO Enlargement)" (A-01-001-12) in the Department's Records Schedule, as they are related to NATO enlargement during the period 1993-1998, but I'm providing more details on each of them in the attached document. F-2024-00630	Freeman, Adam -		<p>On February 12,1951 Giovavanni Battista Giorgini (1898-1971) launched Italian fashion by hosting a show of exclusively Italian designs at his villa in Forence, Villa Torrigiani. American diplomats from Rome and Florence and Ambassador James Clement Dunn, were invited to the "First Italian High Fashion Show", as well as subsequent events. The event's popularity and fame quickly grew necessitating a move to a larger venue, first to the Grande Hotel Florence in July 1951, and ultimately shows in the Palazzo Pitti's Sala Bianca, starting on July 22, 1952. The importance of these events for Italy's post-war economic growth and for trans-Atlantic relations with the United States at the start of the Cold War is historical and cannot be understated. OF course I am interested in as much documented information as possible, including notes, impressions...Perhaps we can start with these events to narrow it down.</p> <p>(Date Range for Record Search: From 7/1/1951 To 7/22/1952)</p>	12/13/2023	08/20/2024

A§ 552, I request the last, at the time that this request is perfected, two most recent Department of State Antiterrorism Assistance Reports for Nigeria</p> <p>I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. EOIR, 830 F.3d 667 (D.C. Cir. 2016) which found that FOIA "does not provide for . . . redacting non-exempt information within responsive records." As declared by the court, "once an agency identifies a record it deems responsive to a FOIA request, the statute compels disclosure of the responsive record—i.e., as a unit—except insofar as the agency may redact information falling within a statutory exemption."</p> <p>As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please notify me by email prior to your incurring any expenses in excess of \$.01.</p> <p>If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. F-2024-04090	SENTURK, Murat	-	<p>https://search.usembassy.gov/search/?utf8=?&affiliate=dos_emb_eur_turkey&query=2022+insan+haklari&commit=?</p> <p>There is a report titled '2022 HUMAN RIGHTS REPORT - TURKEY' published on the website address provided above. Upon examination of the report, it is noted that many incidents related to human rights violations have occurred, impacting numerous individuals. However, in many of these incidents, there are general statements without specific details such as location, date, names, etc. Consequently, the report gives the impression of being compiled more from information circulated on the internet or deliberately disseminated news.</p> <p>For example, the report includes the statement: 'Turkish forces bombed approximately 500 targets in Syria and Iraq, resulting in the deaths of at least 10 civilians.' However, this event lacks crucial information such as where and when it occurred, who the deceased individuals are, whether they died in their village, if their homes were bombed, whether they were in a civilian area, whether they were indeed civilians, and why there has been no statement from the governments of Syria or Iraq regarding this matter.</p> <p>The publication of a report prepared from news deliberately crafted by internet sources or terrorist organizations on an official website of the U.S. government would be impossible from the perspective of state seriousness and allyship. Therefore, I request to be confirmed that each incident mentioned in the aforementioned report published on the website of the U.S. Embassy in Ankara has been officially confirmed by the U.S. government individually and subsequently published on this official website.</p>	12/28/2023	01/29/2024

F-2024-04226	Freeman, Blake	-	<p>This is a request pursuant to Prime Contract SAQMMA-17-C0244 with Bureau of Overseas Building Operations (OBO). We are having trouble obtaining transparent information from Prime Contractor, Perini Management Services, Inc. (PMSI) regarding contract changes and equitable adjustments presented to DoS on Hasen Global, LLC's (HG) behalf. HG has requested this information from PMSI on multiple occasions and they have refused to present negotiation information that took place with OBO on HG's behalf. The dispute has been ongoing for nearly 2 years. HG has completed the directed work at risk to support DoS's mission. We have reason to believe that PMSI has obtained equitable adjustment on HG's behalf and is moving to avoid passing through the total amounts modified into the contract on HG's behalf to HG.</p> <p>HG is requesting pricing information pertaining to RFP-31 (and subsequent revisions) that was presented to OBO by PMSI on HG's behalf. A majority of RFP-31's impact to HG are the general conditions.</p> <p>We request that the accepted Time Impact Analysis be disclosed extending the contract date from 12JUL22 to 20DEC23. Also provide how many days were modified as compensated versus uncompensated.</p> <p>We also request pricing and change order information that was presented to OBO pertaining to RFP-95 (and subsequent revisions) that was presented to OBO on HG's behalf. Also what was modified into the contract on HG's behalf for RFP-95. (Date Range for Record Search: From 10/01/2021 To 12/29/2023)</p>	12/29/2023	-
