Robert Menendez's trip to Egypt and Qatar in October 2021.</p> <p>According to an indictment of Sen. Menendez filed in the U.S. District Court in the Southern District of New York, Menendez and his wife, Nadine Menendez, traveled to Egypt and Qatar in October 2021. This trip received coverage in the Egyptian media at the time it occurred, and in the U.S. media following Menendez's indictment. The indictment states that, in advance of the trip, a Senate staffer contacted the U.S. embassy in Cairo about the visit, causing the previously planned trip to become a formal Congressional delegation under the supervision of the State Department.</p> <p>The Qatari government published a press release detailing Sen. Menendez's meeting with the country's ruler on Oct. 12, 2021. I am requesting any records and information in the State Department's possession concerning Robert and Nadine Menendez's visit to Qatar as well as Egypt.</p> <p>As the FOIA requires, please release all reasonably segregable nonexempt portions of documents.</p> <p>In order to help to determine my status to assess fees, you should know that I am a representative of the news media, and that disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the activities of the government and is not primarily in my commercial interest. We know that she went at least two times and negotiated the release of about 200 political prisoners in 2016 after the presidential elections. 2) The Ambassador Julie Furuta-Toy's visits in the year 2016 to the headquarters of the political party "Ciudadanos por la Inovacion," or in English "Citizens for Innovation," or "CI." We know that the Ambassador went to the headquarters, which is located in the Perez neighborhood, at least 5 times in 2016, responding to attacks against the political party. Equatorial Guinea hosted presidential elections on April 24, 2016. Equatorial Guinea's President at the time, Teodoro Obiang Nguema Mbasogo, belongs to the political party PDGE "Partido Democrático de Guinea Ecuatorial," or the Democratic Party of Equatorial Guinea in English. The PDG party attacked the headquarters of CI multiple times before the April 24, 2016 elections, and continued to attack the headquarters afterwards. The attacks occurred at night time, and the Ambassador would arrive at the headquarters between 8am and 10am the following morning. 3) Compiled news reports on human rights violations against political opponents of the ruling political party PDGE "Partido Democrático de Guinea Ecuatorial," or the Democratic Party of Equatorial Guinea in English. 4) Public statements and press conferences by the Department of State on the detention of political opponents and the persecution of the political party "Ciudadanos por la Inovacion," or in English "Citizens for Innovation," or "CI." 5) Lists or references to specific political party "Ciudadanos por la Inovacion," or in English "Citizens for Innovation," or "CI" members, including Apolinar Ondo Abuy, with date of birth 02/27/1980. Apolinar Ondo Abuy was detained in the Black Beach prison in 2016 when the Ambassador Julie Furuta-Toy came and negotiated the release of about 200 political prisoners, of which Apolinar was one. Apolinar was also present various times when the Ambassador visited the headquarters of CI. (Date</p>	<p>01/18/2024 -</p>

Between September and November 2022 about 30 CI leaders and members were killed at the CI headquarters in the Perez neighborhood. The entire Equatorial Guinean military in Malabo, including generals, coronels, commanders, the Minister of National Security "Nicolas Obama Nchama", the Minister of National Defense "Efamba," and Armengol Ondo Ngema (the President's brother) surrounded the CI headquarters for a week. They did not permit anyone to enter or leave, and they turned off the electricity, internet, and phone lines to the building and neighborhood. At the end of the week, the President of Equatorial Guinea Teodoro Obiang Nguema Mbasogo gave the order to the National Defense Minister to kill. They killed about 30 CI members. They removed the clothing of Gabriel Nze Obiang Obono, the leader of CI and the presidential candidate for the CI party in the 2022 presidential elections. They detained Gabriel Nze Obiang Obono, and his current whereabouts are unclear. (Date Range for Record Search: From 1/1/2022 To 1/18/2024)	01/18/2024	-

The aircraft modifications were minor but crucial, involving the removal of several passenger seats to make space for the gold bars, which were stored directly in the cabin, arranged no more than three bars high to ensure proper weight distribution and balance. There are stories of landings at specific Pacific stops where a government attaché would come aboard, hand over sealed documents to the Purser, which were not to be opened, and then these documents were to be handed off at subsequent stops. There is obviously a reason why the US government is placing different numbers of stars on these passport cards.</p> <p>I am writing you today to request clarification about why different people have different stars, what the stars represent, and if one star is better than five stars or if five stars is better than one star. F-2023-14061	sun, sun yi	-	<p>I look forward to your attention to report on the victims of mind control weapons in China. Mind control weapons are real, and the US intelligence services have fully mastered this technology, but there are abuses in China to persecute ordinary innocent people, and some organizations that I know but dare not reveal in China are using mind control weapons to persecute innocent people</p> <p>Chinese mind control weapon victim under life threatening seeks urgent help</p> <p>I am an ordinary Chinese citizen, I'm from (b)(6) seeking help from the United States by means of my family and friends in the U.S., which is committed to protecting human rights, justice and conscience. May the great human eternal conscience and sense of justice make the U.S. express concern at me and save me, who lives on the Earth but is threatened and persecuted by dark forces, which makes me unable to survive and force me to commit suicide.</p> <p>I have been controlled by the mind control weapon in China. Starting from May 2023, they aimed to force me to commit suicide by emitting mind controlled electromagnetic waves at me, which directly affect and change my emotions. My emotions and moods have been manipulated by them, and they were able to directly use their technology to make me irritable, sad, painful and sad. My emotional state of mind was no longer within my control. They threaten to use their mind control weapon to create diseases for me. I have already felt discomfort and pain in my body, my heart rate has accelerated and worsened, my abdomen and joint are painful, and my body is under extreme fatigue. They also use sound transmission technology to directly transmit messages to my mind, and only I can hear their words. They insult me with words, humiliate my personality, and mentally torment me, and they always know my thoughts in the heart, and they can immediately know what I am thinking. I am currently living in the dual torment of mental and physical pressures. At night, they make me emotionally excited and keep talking to me, and prevent me from falling asleep normally. As a result, I am now completely unable to integrate into normal social life, socialize with people, and work normally. I have lost all sources of income and entirely rely on my parents to support me. I am (b)(6) but I have no hope of surviving. I live alone, and they even allow their members to come into my house and steal my belongings when I go out, with the aim of making me afraid to go out and completely enclosed in my own home and completely disjoint with the society. They tell me through mind communication that I must commit suicide, and the reason they use the way of mind control is that they won't leave me any evidence of their persecution. They will torture me all my life, and suicide is the only relief from all of this.</p> <p>And they warn me not to reveal my own experience and their identities otherwise my</p>	02/08/2024	02/08/2024

F-2024-06474	BIS, JUSTIN	Financial Fairness Alliance	<p>Background</p> <p>In 2022, the federal government announced an initiative to develop natural capital accounts and develop a Strategic Plan on Statistics for Environmental-Economic Decisions. An interagency policy working group, co-chaired by OSTP, the White House Office of Management and Budget, and the Department of Commerce involving dozens of additional federal offices and outside stakeholders collaborated in the effort to produce a U.S. System of Natural Capital Accounting and Associated Environmental-Economic Statistics. There is limited information available about the working group's meetings and developments in creating new accounting frameworks, at a time when public controversy surrounds the concept of placing economic value on the environment and natural assets.</p> <p>Requested Records</p> <p>FFA requests all meeting memos, meeting minutes, calendar entries, and calendar invitations for the Secretary or the Secretary's designees for any meeting of the U.S. National Strategy to Develop Statistics for Environmental-Economic Decisions working group and any related inter-agency or intra-agency meetings supporting the working group, from April 1, 2022, until the search begins.</p> <p>If you or your office have destroyed or decide to withhold any records that could be reasonably construed to be responsive to this request, please indicate this fact and state the reasons for doing so in your response. Agencies are prohibited from denying requests for information under FOIA unless the agency reasonably believes the release of the information will harm an interest that is protected by the exemption.</p> <p>If you determine that portions of the records requested are exempt from disclosure, we request that you segregate the exempt portions and send the non-exempt portions to my email address below within the statutory time limit.</p> <p>FFA is willing to receive records on a rolling basis.</p> <p>To facilitate our request most efficiently, we request that the FOIA office use the agency's email management system as part of the search for this request.</p> <p>Format</p> <p>We ask the requested records are provided electronically and to the extent practical, in native file format, or if not practicable, with full metadata for all fields. FOIA provides that "an agency shall provide the record in any form or format requested by the person if the record is readily reproducible by the agency in that form or format." Please provide the records in a load-ready, format with either 1) a .csv file index or Excel spreadsheet, or 2) in a PDF format without any portfolios or embedded files, and not in a single batched .pdf file</p>	02/14/2024	-

F-2024-06526	Atkinson, Marj	Ask Marj The Research Sage	I am requesting information or records on Mr. Robert Hugh Cunningham, a CIA operative or contractor in 1968. He operated at least one or more presses in Rome, Italy during that time. I am seeking information about a typography/typesetting/printing press at Via Dandolo 8/10 Rome, Italy in 1960s and if it was connected to him or Nadine Cunningham his wife. He was also a contractor in 1977. So in the 60s and 70s he was working for the CIA and I am trying to determine if this additional press was significant to his assignments in Rome during that time. I have also requested via CIA FOIA, but since this is regarding foreign affairs and Nadine Cunningham may have been employed by the State Dept, I am seeking information from your department as well. F-2024-07155	Clark, Aaron	Bloomberg News	<p>The United Nations Environment Programme's International Methane Emissions Observatory (IMEO) notified the US government on Oct. 31, 2023, or sometime soon thereafter (likely within a few days), about a significant cloud of methane observed by satellite in Texas Oct. 31, 2023. The notification was made through IMEO's Methane Alert and Response System (MARS) and is documented through the agency's methane data that is publicly available and downloadable from its website here: https://methanedata.azurewebsites.net/plumemap?mars=true</p> <p>I've uploaded the IMEO document as part of this submission request and the notification in question is in row 2048 of that document. The "TRUE" under the "notified" column indicates the MARS alert was made to the US government.</p> <p>We believe the notification was emailed to the State Department's Office of the Special Presidential Envoy for Climate and may have been sent to John Kerry, Richard "Rick" Duke, Claire Wang or Daniel Rochberg.</p> <p>We are seeking any emails from IMEO to these individuals related to that MARS notification and the Oct. 31 emissions event in Texas. We are also seeking any emails from those individuals about this MARS notification and the Oct. 31 emissions event in Texas to the Environmental Protection Agency. The timeframe is from Oct. 31, 2023</p>	02/26/2024	-

If the records include databases or spreadsheets, I'd like to receive those in a format that allows for data analysis, such as Excel or csv, if possible.</p> <p>I'd like to request for the agency to waive any fees associated with this request as I'm representative of the news media seeking information as part of a news gathering effort and not for commercial use. Disclosure of the records is in the public interest and is likely to contribute significantly to public understanding of the operations or activities of the government.</p> <p>If you decide to not waive fees, and the fees associated with this request exceed \$25, please let me know what the estimate is before proceeding to comply with this request.</p> <p>Depending on the volume of the records, I could be willing to narrow down my request. F-2024-01612	Schmitz, Avery -		<p>I am requesting records of all Department of State (DoS) contracts with "Mayhem Solutions Group LLC" and "MSG: Risk Management & Intelligence, LLC" from January 1st of 2015 through the present day. I am particularly interested in Mayhem contracts related to diplomatic security and Overseas Security Advisory Council operations. However, this request is for any and all contracts between DoS and Mayhem Solutions/MSG during the designated time period.</p> <p>Mayhem Solutions Group is led by registered member and CEO Shawn C Wilson. The company has addresses at 139 W. 1st St, Casa Grande, AZ, 85122; 2354 N Casa Grande Ave, Casa Grande, AZ, 85122; and 638 W Palo Verde St, Casa Grande, AZ, 85122.</p> <p>There is a compelling and urgent need for this information to be publicly available; to my knowledge, Mayhem Solutions Group was directly involved in efforts to interfere in the 2020 presidential election, which makes their ties to a government agency like DoS especially concerning. Timely reporting of this issue is vital to illuminate any DoS ties to an organization that engaged in activities harmful to American democratic interests—all while possibly contracted by a federal agency. Specifically, I am interested in understanding the purpose and reasons behind her trip, which may have implications for U.S. sanctions against Venezuela.</p> <p>Given the complexities of international relations and sanctions policies, information on any diplomatic cables, briefings, or internal analyses related to this visit could provide crucial insights into the U.S. government's stance on sanctions enforcement and its diplomatic engagements with Spain and Venezuela.</p> <p>I appreciate your assistance in promoting transparency and facilitating public understanding of these significant international affairs. F-2024-01290	Schindler, Carl	none	<p>MEMO.</p> <p>I'm trying to learn more about my father (Richard F Schindler) and his contact and affiliation with the DOS.</p> <p>Starting in late 1990 or 1991, his food industry experience took him to Vladivostok, reportedly as the first American there since the city was closed. He was, on paper, there to build supermarkets. He was obviously drafted to go there during a very interesting time.</p> <p>I have reason to believe that he was debriefed quite regularly by the Undersecretary of State during that time (until 1992?). During that time he traveled extensively around that part of the world, including, as I understand it, China N. Korea, Indonesia...</p> <p>His food industry experience also took him (us) to Jamaica at a particularly interesting time, politically, leading up to the 1976 election for governor (PNP Manley vs JLP Seaga). The apartment in Kingston was searched regularly during that time, "CIA" was at one point scrawled on the door, and Dad traveled armed. In those days there were MPs on every corner in Kingston. He was employed at the time by ITT Corp.</p> <p>My father passed some years ago. There were always questions. He would never discuss or even joke about any of it. I have heard other things but they are unverified.</p> <p>I really need to know.</p> <p>Thank you.</p>	03/21/2024	-

Specifically, this communication, cable, or diplomatic note contains, among others, the following statements and questions, or words to that effect: "Reports suggest that statements of (b)(6) led to the arrest of (b)(6) upon suspicion of having counterfeited [the] . . . passport with which (b)(6) left Spain shortly before 9/11 to travel to Afghanistan. According to Spanish information and (b)(6) statements, it can be assumed that after he traveled from Dusseldorf to Madrid he brought his passport to (b)(6) to get a 'Schengen Visa.'
