F-2024-02590	Barnes, Omar	Department of State: Foreign Service	Hello, I work with the DoS as a Consular Fellow in an LNA (Limited Non-Career Appointment) and am currently writing a proposal to change the way the DoS views U.S. Direct Hires like myself who were hired in an LNA capacity. The Consular Fellow Limited Non-Appointment program was created in 2012 to recruit individuals with proficiency in high-demand languages to fill high-need positions in the Consular Corps. LNAs are direct-hire Consular Officers within the Foreign Service, but they are limited to a five-year term. During this time, our upwards trajectory in the DoS is severely limited as we do not gain tenure and we are required to start from zero once again after our 5 year term finishes. This is in light of the fact that many Consular Fellows transition to become fully tenured FSO's (Foreign Service Officers) regardless. Every FSO, regardless of their specialty, is required to serve at least tour in the Consular Corps and so once our tour is over, we will need to start from the bottom with an entry level job. I would like to request official records for my proposal, those records being the percentage of LNA Consular Fellows who became FSO's after their tour finished. Having a number would help me incredibly in my mission to help DoS understand my point. If I could get perhaps the official numbers of Consular Fellows since 2012 up until now, that would be helpful as well.	04/01/2024	-

Å§ 552, I request the last, at the time that this request is perfected, two most recent Department of State Antiterrorism Assistance Reports for Somalia</p> <p>I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. F-2024-09450	Bolli, Gina	York College of Pennsylvania	A Congressional correspondence letter sent sometime in March 2024 to senators of the Foreign Relations Committee. It is addressed to Chairman Cardin (and a list of senators such as Marco Rubio and others) and it is a response from State on the Senators' growing concerns over the consolidation of a totalitarian state in Nicaragua under President Daniel Ortega. The original paper was drafted by me (Gina Bolli) from WHA/CEN. The letter in question discusses the USG's policy regarding the situation in Nicaragua. I would like to have a copy of the finished product that was sent to the Hill please. (Date Range for Record Search: From 03/01/2024 To 03/23/2024)	04/08/2024	-

F-2024-00815	Turse, Nick	TomDispatch.com	<p>Pursuant to the Federal Freedom of Information Act, 5 U.S.C. Ag 552, I request all communications from grant recipients of sales of Excess Defense Articles.</p> <p>Per DSCA, "All grant recipients must sign agreements pursuant to Section 505 of the FAA agreeing to end-use restrictions and giving the U.S. first right to proceeds of any sale."</p> <p>I am seeking communications, and any subsequent documents stemming from them, concerning this "U.S. first right to proceeds of any sale."</p> <p>OSD FOIA says, in the attached document, that the State Department holds these documents.</p> <p>I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. EOIR, 830 F.3d 667 (D.C. Cir. 2016) which found that FOIA "does not provide for . . . redacting non-exempt information within responsive records." As declared by the court, "once an agency identifies a record it deems responsive to a FOIA request, the statute compels disclosure of the responsive record—i.e., as a unit—except insofar as the agency may redact information falling within a statutory exemption."</p> <p>As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please notify me by email prior to your incurring any expenses in excess of \$.01.</p> <p>If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.</p> <p>As I am making this request as a member of the news media and this information is of timely value, I would appreciate your communicating with me by email, rather than by mail, if you have questions regarding this request. Please do not close this request, for any reason, unless I explicitly request it in writing.</p> <p>I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance.</p> <p>Regards,</p>	04/08/2024	04/08/2024

As the abbreviation "CIEEx" is derived from Portuguese, I didn't want to arbitrarily limit the search to the most obvious translation, "Information Center of the Exterior," as USG personnel might have used different nomenclature or abbreviations than could be accounted for at the outset. I have not yet found any US documentation that mentions or refers to CIEEx, so I don't have any hints for what naming practices would look like here. 2. F-2024-09708	Sherwin, Thomas	Siena College	<p>To whom it may concern,</p> <p>This is a request under the Freedom of Information Act (FOIA). I am requesting any and all unreleased Department of State meeting notes from meetings between the U.S. Department of State and Mexico government representatives pertaining to the issue of illegal immigration of families to the U.S. from the Mexico border. Any unreleased information pertaining to these international relations from January 2017 to the present is requested, and electronic copies of information are preferable. I hope to use this information to find how the United States and Mexico are cooperating to stop illegal immigration, and know it better than what has been revealed to the public thus far. One specific item I would like to obtain pertains to the meeting our Secretary of State had with Mexican Foreign Secretary Alicia Bárcena on December 27, 2023. This meeting had a press release associated with it, released January 20, 2024, that outlined what was discussed at the meeting. If there was anything discussed in the meeting that was not in the press release, or if there is a transcript of the meeting, I would appreciate it if I could obtain that. I hope to get information on follow-ups to this meeting and information on whether or not the results of this meeting have translated into effective policy.</p> <p>For your reference, I am a political science major at Siena College in Albany, New York, and I made this FOIA request to find out if there is more to know about the immigration crisis at the southern border in terms of international negotiations than has been revealed by the State Department thus far. I do not hope to learn so much about the situation at the border, as I could have contacted the U.S. Customs & Border Protection Department for that information. I hope to see this situation through the lens of the international deals and information exchanges that have taken place. I believe it is important to have knowledge of how the U.S. government is communicating with Mexico to help manage illegal immigration, and I hope to have as much information as I can so I can observe how our two nations are interacting to address this issue.</p> <p>Thank you for your time and I hope to hear from you soon.</p> <p>Sincerely, Thomas S.</p>	04/11/2024	-

F-2024-09981	Cervantes, Jennifer	Rio Grande Valley Sugar Growers	<p>The 1944 Water Treaty between the U.S. and Mexico dictates the sharing of the waters of the Rio Grande between the two countries. The Treaty stipulates the following:</p> <p>1944 Treaty II Rio Grande Article 4, B(c) makes the statement ...of a minimum of 350,000 af, as an average amount in cycles of five consecutive years, annually.</p> <p>The last paragraph under B, that starts with "in the event of extraordinary drought....."....they have the next 5 year cycle to pay any debt incurred the first 5 year cycle (but the deficit can only be attributed to extraordinary drought or serious accident to their hydraulic system).</p> <p>Given the only reason for Mexico to no make annual payments is due to extraordinary drought or serious accident to their hydraulic system, we are unclear as to why the State Department and the IBWC say that Mexico is not in arrears of water deliveries until the end of a five-year cycle. When clearly the Treaty states that Mexico is supposed to make annual payments - so every year that Mexico does not make a payment, they are in arrears and should be treated as such. It should not be said that they are not in arrears.</p> <p>We request internal and external discussion documents, findings, internal interpretations, and reports that the State Department and the IBWC use as the basis for a rationale for saying that Mexico is not in violation of the Treaty until the end of the five-year cycle or at the end of the following a ten-year cycle. Given that the treaty specifically states that annual payments are to be made, then every year that Mexico does not make a payment, they should be considered in violation</p>	04/17/2024	-

F-2024-10329	Chalfoun, Andrew	University of California, Los Angeles	On June 5, 1991, two Americans citizens (Dr. Bill Lewis and his translator Joel Dehart) were kidnapped and help for ransom by an Afghan commander identified as Wasiq, affiliated with the Party of Islam. Lewis and Dehart were in Afghanistan on behalf of the international aid organization Global Partners, an affiliate of the Foreign Mission Board of the Southern Baptist Convention. Dr. Lewis was released in October 1991 and Dehart was released in January of 1992. I am interested in all records relating to the state department's effort to monitor the situation and to negotiate their release. In particular, I am interested in any records related to the activities of the US embassy in Islamabad in seeking to negotiate the prisoner's release. Information relevant to the request might be contained in correspondence with Mark Morris, a Global Partners employee who had arranged for Lewis and Dehart's entry into Afghanistan. We know he visited Africa, Europe, the USSR and several South American countries during his life but we have few details of his activities while traveling. F-2024-01488	Lloyd, Marco	-	Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: All communications between political appointees employed or assigned to the agency and the Partnership for Public Service (Email Domain @ourpublicservice.org). All agency memorandums, memorandums for record (MFR's), memorandums of understanding (MOU's), policies, directives, event flyers or descriptions, grants or contracts between the agency and the Partnership for Public Service, including all supporting or supplemental documents. Search Instructions: Please include copies of all attachments, files, or pertinent documents to responsive documents. Please include copies of the entire email chains for responsive documents. Please limit the timeframe of the search from January 20, 2021 to present. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public regarding the agency's operations pertaining to potential conflicts of interest between the federal government and appointees within the agency. This information will ensure greater transparency and accountability regarding the use of public funds, and the impartiality of government.	05/08/2024	05/08/2024

F-2024-11286	Davies, Michael	King's College London	<p>I am requesting is the text of the so-called 'Safwan Accords'. This was the ceasefire document signed by the US-led Coalition and Iraq to end the Gulf War in 1991. They were negotiated on March 03, 1991 at Safwan Air Base in Iraq. The lead negotiators were US GEN Schwarzkopf and Saudi LTG Khalid bin Sultan. On the Iraqi side were: LTG Sultan Hashim Ahmad, operations chief at the Iraqi Defense Ministry, and LTG Salah Abud Mahmud, commander of the Iraqi army's III Corps.</p> <p>I say so-called because I am searching to see if they actually exist. A 2002 CRS report says the text was never released. Yet other sources say they do not exist as a formal document at all. Yet it exists in the public imagination, including Congressional laws, as a formal document with proper nouns.</p> <p>Both CENTCOM and the National Archives have no record of the document existing, suggesting DoS would be my best (and last) chance.</p> <p>For all these reasons, I cannot provide you with a formal document name, nor any other specifics. Even though it is a very important moment in time. (Date Range for Record Search: From 03/01/1991 To 05/01/1991)</p>	05/14/2024	06/04/2024

I am a freelance television producer, with credits listed at: https://www.imdb.com/name/nm1825298/ I am often working on documentaries related to my FOIA requests, and frequently write articles based on the FOIA documents I receive. They are read on my own high traffic website (25,000+ people daily log on, on average) called The Black Vault (www.theblackvault.com), and those articles are OFTEN covered via the mainstream media, and cited as the source. Here are just some of the recent mainstream article that have covered my work, both highlighting my original articles written, along with profiling the documents I have received via FOIA: https://news.google.com/search?q=The%20Black%20Vault&hl=en-US&gl=US&ceid=US%3Aen</p> <p>I prefer electronic delivery of the requested material either via email to john@greenewald.com, FAX 1-818-659-7688 or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.</p> <p>I respectfully request a copy of records (which includes videos/photos), of all communications between the Department of State, and more specifically, the U.S. Embassy in Ottawa, and the Canadian government, about Unidentified Aerial Phenomena (UAP). Recently, through the Canadian Access to Information Act, documents were released which show communications between the Department of State / U.S. Embassy Ottawa, and Transport Canada. The intent was to set up and coordinating meeting and communications between the U.S. Department of Defense and/or U.S. Office of the Director of National Intelligence's National Intelligence Manager-Aviation, and Transport Canada. Those documents can be seen here, for reference: https://s3.documentcloud.org/documents/24663184/transport-canada-uap.pdf</p> <p>Thank you so much for your time, and I am very much looking forward to your response.</p> <p>Sincerely,</p> <p>John Greenewald, Jr. 27305 W. Live Oak Rd. Suite #1203 Castaic, Ca 91384</p>	05/17/2024	-

F-2024-09131	Narvaez, Jeffrey	-	<p>Hello,</p> <p>My name is Jeffrey Narvaez and I am searching for any and all information related to my grandfather Malcom Sparer and my grandmother Erna "Kitty" Sparer. Both my grandparents have passed on, my grandmother in 1990 and my grandfather in 2020, and I believe there was information being withheld from our family that your agency could help in providing potential closure. In 2007, when I was 15, I found a letter in my Grandfather's library that raised a lot of questions. The letterhead was from "The Counselor, Department of State, Washington" written by an individual named Rozanne L. Ridgway and addressed January 25th, 1980. It details an incident involving my Grandfather Rabbi Malcolm sparer where he was attacked in a San Fransisco synagogue, "Chevra Thilim" in 1972 which we as a family were aware of. The letter indicates that "Bill Colby at the time did indicate a more protective cover be provided for you" and also refers to my grandfather as "Colonel Malcolm M Sparer Ph.D". This was a surprise as we were unaware that my Grandfather was titled as "Colonel" as to our knowledge he never served in the Army, only the Navy. The letter also mentions an individual by the name of "Landon Kite" that my grandfather had previous correspondence. I'm looking for any and all records of Malcolm Sparer in hopes of gaining further insight into my grandfather's life. In his later years, he struggled with dementia and was unable to share any of this information on his own, although when asked about it, he would struggle as if there was a secret to be shared. My grandmother, Erna "Kitty" Sparer, maiden name Reichl, was a holocaust survivor as well as a partisan fighter and I believe there is more to her story as well. I am truly hoping to find out the truth about my family and am hoping that your agency can help as the CIA directed me here. Any information that your agency can provide will bring me closer to a place of closure as I loved my Grandfather very much and just want to know the truth behind his life. Again, I'm searching for any information regarding either Malcolm Martin Sparer or Erna "Kitty" Sparer's involvement with your agency including any and all documents that can be provided that may include further insight on</p>	05/22/2024	-

Search Instructions: Please limit all searches in response to this Request from January 1, 2024, to the present. Please include the full email chain and attachments relevant to any responsive documents to provide further context. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public regarding the agency's policies and procedures on the national stage relevant to the agency's operations such as hiring, personnel retention, fraud waste and abuse, etc.</p>	06/17/2024	08/02/2024

F-2024-13297	Turner, Daniel	Power the Future	We have received your email dated June 17, 2024, asking for further narrowing. We note that this appears to be boilerplate in that the suggested narrowings are not applicable to the particular request (e.g., emails containing Teams links should for the most part if not entirely be non-responsive, given our request excludes calendar invitations; also, a request for all emails over a certain period of time of a particular State official that have the @who.eop.gov domain does not lend itself to "unrelated attachments".) Notwithstanding this, we are willing to exclude attachments except certain file formats — .ppt, .docx, .Pdf— but believe the most efficient and FOIA-compliant approach is for the agency to provide its 'CREW' response (particularly, the required number of potentially responsive records, which it appears the agency may have already obtained). From this we can see if any further narrowing is warranted and, if they would like to note where particular volume is coming from, we can consider where any further narrowing might be warranted. We look forward to State's CREW response which we see is due on or before July 1, 2024, and proceeding from there. (Date Range for Record Search: From 01/21/2021 To 06/06/2024)	06/18/2024	07/02/2024

F-2024-09986	Kalyanaraman, Meenakshi	Hindustan Times	I am a journalist researching a story on the circumstances surrounding the ceding of an island named Katchatheevu off the state of Tamil Nadu in India to Sri Lanka in the 1970s. I am trying to see if the island was ceded to Sri Lanka to build good relations between India and Sri Lanka since Sri Lanka, at that time, was considering asking the US to develop the port of Trincomallee and even ask the US to set up a naval base there. There was also talk that Sri Lanka was open to having the US set up a Voice of America radio station. Are there any declassified State Department documents that can throw light on this issue? Did the US ever consider developing the port of Trincomallee in eastern Sri Lanka or setting up a naval base there. Did Sri Lanka ever approach the US with such requests in the 1960s and the 1970s? Was there a proposal to set up a VOA radio station in Sri Lanka from the Lankan side or the American side?	06/21/2024	06/21/2024

Is the number of "participants" provided for each calendar year the total number of active working au pairs in the U.S. that year, or is it the number of new visas issued that year? <p>(Or, to put it another way, does the number of "participants" include extension au pairs who arrived in the U.S. in the previous calendar year and are still working as au pairs on their original visa? Or is "participants" the number of brand new visas issued in the given year?)</p> <ol style="list-style-type: none"> 2. Is there data on how many au pairs extend past their first year and stay as a second year au pair? If so, may we have those numbers? 3. What percentage of au pairs return to their home country early, without completing the first year of the au pair program? 4. If an au pair leaves without completing their first year, are they counted as a "participant" in the annual totals provided by the Bridge USA website? 5. Is there a cap on how many au pair visas are issued each year? 6. If so, is that cap per agency, or is it the total number of au pairs allowed in the country at any given time? <p>If possible, we would appreciate receiving this information electronically, via email.
