<p><u>F-2023-05319</u></p>	<p>Lemoine, Philippe</p>	<p>-</p>	<p>I'm looking for a number of documents about the last phase of the Two Plus Four process on Germany's reunification that are cited by Philip Zelikow and Condoleeza Rice in Germany Unified and Europe Transformed: A Study in Statecraft, Cambridge, Harvard University Press, 1995. They seem to consists in memoranda, briefings, reports and other notes. Here is a list of the documents in question, along with information on where and how they are cited in Zelikow and Rice's book, as well as other details that may help you locate those records: - A document cited as "Seitz to Baker, 'September 11 Two-plus-Four Political Directors Meeting in Moscow: Detailed Account,' 15 Mar 91" in Zelikow and Rice, Germany Unified and Europe Transformed, p. 359, footnote 70, which seems to be a detailed account by Raymond G. H. Seitz (then Assistant Secretary of State for Europe and Canada) of the last minute negotiations on the Treaty on the Final Settlement With Respect to Germany that took place in Moscow on September 11, on the eve of the signature of that treaty. In footnote 72, Zelikow and Rice mention that a memcon that describes the evening discussions on the issue of foreign troops deployment in the territory of the GDR was attached to this document, so I would also like to have this document and any other document that may have been attached to Seitz's report. - A document cited as "Zoellick briefing paper for Baker, 'German Final Settlement: Moscow Meeting Notes and Attachments,' 9 Sep 90 (with Zoellick's annotations)" in Zelikow and Rice, Germany Unified and Europe Transformed, p. 359, footnote 70, which seems to be a briefing sent by Robert Zoellick (who led the US delegation during the Two Plus Four process) to James A. Baker III (then Secretary of State) on the upcoming meeting in Moscow about the Treaty on the Final Settlement With Respect to Germany. Since Zelikow and Rice refer to it as a "package", it's possible that documents may have been attached to it, so if that's the case I would like to them. - A document cited as "Zoellick to Baker, 'German Final Settlement: Moscow Meeting Notes and Attachments,' 12 Sep 90" in Zelikow and Rice, Germany Unified and Europe Transformed, p. 359, footnote 71 (it's also mentioned in footnote 70 and cited in footnote 74), which seems to be an updated version of the previous document reflecting the outcome of the last political directors's meeting in Moscow. I would like to have both the earlier version and this updated version, as well as any documents that may have been attached to either of them. I would also like to have any other document you may find that pertains to the end of the Two Plus Two process on Germany's reunification, particularly on the issue of the restrictions on foreign troops deployment in the territory of</p>	<p>02/21/2023</p>	<p>-</p>

F-2023-06139	Zelalem, Zecharias	-	I'm submitting a FOIA request, as there is heightened public interest in knowing what the US State Department was able to learn in its initiative to determine whether or not a genocide was carried out in Ethiopia's Tigray region, during that country's civil war which was fought between 2020 and 2022. Issuing a determination of genocide was cited under section 10 of Bill HR6600 that was presented to Congress, although US officials have previously stated as far back as 2021, that a review of whether or not the atrocities in Ethiopia constitute a genocide had already begun, but the final results have never been published. Last week, a Foreign Policy article, cited communications with three unnamed US officials who reportedly stated that in 2021, the US State Department had indeed determined that genocide had taken place, and even drafted a declaration stating so, but refrained from publishing it. I'm submitting a request for the unpublished document to put speculation to bed and provide closure for survivors of state violence, their traumatized families and the greater public. The issue of possible genocide in Ethiopia has provoked statements of concern from genocide scholars, heads of state, the US Holocaust Museum, and non profit entity	03/14/2023	-

F-2023-06562	Cisneros, Jorge	-	Last March 10th, the White House issued a press release about the agreements reached between México and the United States related to Bicentennial Framework. The release, which can be found in https://www.whitehouse.gov/briefing-room/statements-releases/2023/03/10/joint-statement-from-mexico-and-the-united-states-on-the-launch-of-phase-ii-of-the-bicentennial-framework-for-security/ states that U.S. government will return to Mexico "approximately \$25 million in funds that had been stolen by criminal actors from the Mexican government through embezzlement and fraud, and seized and forfeited by the U.S. Department of Justice". I'd like to know the cases related to these funds. Specifically whose criminal actors is the U.S. government talking about? I'd also like to know in detail the cases of embezzlement and fraud. In which U.S. courts those cases were filed and what was the sentence?	03/28/2023	11/20/2023
