Dear Miss,

I am very grateful for the work that you have done for members of my family who have disappeared: Gerardo Gatti and Adriana Gatti.

I am writing to you again to ask you to try to secure the persistence of your government in these cases. Recently there has been more information from various persons that indicates that they are still alive in some place.

The Uruguayan and Argentinian authorities continue deny officially that they have been detained but there are numerous testimonies of arrests by members of the security forces.

I would like to express my gratitude again and I remain, sincerely yours,
