Subject: Expo Update

Just a quick note to tell you that we are moving forward on the Expo funding. ATT came in at \$500k, McGraw Hill at \$200k, Intel at \$250k more, Delos Living (a Mantz client) \$250k, and CITI at a minimum of \$2M brings us down to \$3.7M.

The following are on deck and likely to come in soon - Boeing (more), Carlyle, Blackstone, Alcoa, and AECOM. EB and I chatting with many others.
